## WHAT IT IS FOR

Deodorant descaler. The presence of three active ingredients renders the descaling action instantaneous inside the toilet and throughout the bathroom. The gel formulation guarantees greater contact with the surfaces for better performance.

## **RECOMMENDED DOSAGE**

Ready-to-use product.

## USE

Squeeze a small amount of undiluted product onto the walls of the toilet and under the rim. Leave on for a few minutes, scrub with the toilet brush where necessary and then flush. Do not use on marble or natural stone.
