SHOPS

WHAT IT IS FOR

Active oxygen detergent, suitable on all washable surfaces. Specific for cleaning tables, chairs, bedside tables, beds, doors, handles, glass, mirrors, crystals, laminates, tiles, car interiors, chrome plating etc. Ideal for daily use in hospitals, nursing homes, shops, restaurants, hotels, offices, institutions, schools, nurseries and in all those places where you want to achieve a deep cleaning of surfaces. The product can be used also on leather, fabric, aluminum, glass and cotton surfaces.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Apply neat onto the surface to be cleaned. Wipe with paper or a cloth until it is completely dry. When cleaning computers or electronic equipment, spray the product onto the cloth and only wipe down the surface with the equipment switched off. No rinsing required. For sani-tizing the washable masks, spray the product directly, wait few minutes and proceed with a normal washing cycle. Product suitable for use with electric nebulizers, referring to the instructions of the manufacturer of the equipment.
