### WHAT IT IS FOR

Cleans and whitens surfaces, removes stains from fabrics, concentrated at 15% VOL on packaging. Stabilized inorganic chlorine-based whitening and stain removing bleach. Particularly suitable for cleaning hard surfaces such as: worktops, tiles, floors, coverings, sanitary ware. It is widely used in the following sectors: healthcare, catering, butchers', fishmongers', pastry shops and in any other place where a whitening action is required. Excellent for removing stains such as coffee, tea, wine, blood from white fabrics. Use water below 40°C.

### RECOMMENDED DOSAGE

For surfaces from 1% to 2% per litre of water; for laundry measure from 5 g / to 10 g per kg of dry laundry.
