NON-CORROSIVE FOR SURFACES AND WITH LOW ECOTOXICITY, BECAUSE PHOSPHORUS-FREE

IDEAL FOR TOILET CLEANING

## UNI5 DEKALC

READY-TO-USE DESCALING DETERGENT

pH 1

H.A.C.C.P.

### WHAT IT IS FOR

Ready-to-use, odourless descaling detergent for removing limescale, organic and soapy residues from all washable surfaces such as toilets, tiles, taps, bathroom fixtures, shower cubicles, etc. It can be used in cleaning stainless steel and chrome-plated surfaces.

### RECOMMENDED DOSAGE

Use neat in the toilet and on other surfaces. For floors dilute in water from 5 to 10%.

### USE

Use the undiluted product directly on the surface to be cleaned and rinse with water thoroughly. Avoid use on marble and natural stone.
