pH 8

H.A.C.C.P.

Size	5 kg
Pieces per box	2
Boxes per layer	14
Boxes per pallet	56
EAN Code	8007134315071

WHAT IT IS FOR

PH-neutral, low-foaming orange-scented general-purpose detergent suitable for washing any water-resistant surface, tool, machine, etc. by hand or with a floor-washing machine.

RECOMMENDED DOSAGE

Dilute from 1 to 2% in water for maintenance; from 5 to 10% in water for persistent grime.

USE

Wash surfaces using mop and bucket, fringe, single brush machine or floor washer/dryer. No rinsing required for routine maintenance.
