NEFÉL FRAGRANCE DATE & POMEGRANATE

REED DIFFUSER

WHAT IT IS FOR

Stick fragrance diffuser for environments, such as hotels, restaurants, bars and offices. It gradually diffuses the fragrance, ensuring a delicate but persistent scent. A diffuser that captures the enveloping warmth of the amber family: Bitter Orange and Pomegranate blend with the balsamic touch of Anise and Eucalyptus, while the sweetness of Date unites with the oriental notes of Ylang Ylang and Bulgarian Rose. The base of Cedar, Patchouli and Vanilla leaves an intense trail in the air.
